ENTRY OF APPEARANCE
AND NOTICE OF RIGHTS
UNDER THE PROTECTING TENANTS IN FORECLOSURE ACT

DEFENDANT

Comes _____ to file an Entry of Appearance and assert the rights provided to tenants under the Protecting Tenants in Foreclosure Act (“PTFA”).

1. Please send a copy of all future pleadings to:

2. The undersigned states that s/he is a bona fide renter under the PTFA. S/he is not related to the landlord, the rental agreement was an arms-length transaction, and s/he pays fair market value for the property (or the rent is subsidized by a federal/state/local agency).

3. Because undersigned is a bona fide renter, any subsequent purchaser of the property should take title subject to the rights provided to tenants in the PTFA. This means that a subsequent purchaser must provide the renter with ninety (90) days notice to vacate to the renter following the issuance of a Commissioner’s Deed after a sale. Additionally, to the extent there is a lease that endures longer than the contemplated ninety (90) days, the undersigned asserts her/his right to have that lease honored by a subsequent purchaser unless that purchaser intends to occupy the premises as a primary residence.

4. The undersigned respectfully requests that the Master Commissioner provide notice of the undersigned's rights to potential purchasers at the auction of the subject property.

Respectfully submitted,
